About Lone Star Cars

Lone Star Cars is a retail internet dealership based in Plano, Texas (10 minutes north of Dallas). Since the early 1980's we have been buying and selling quality pre-owned automobiles across the United States and in some cases the world!

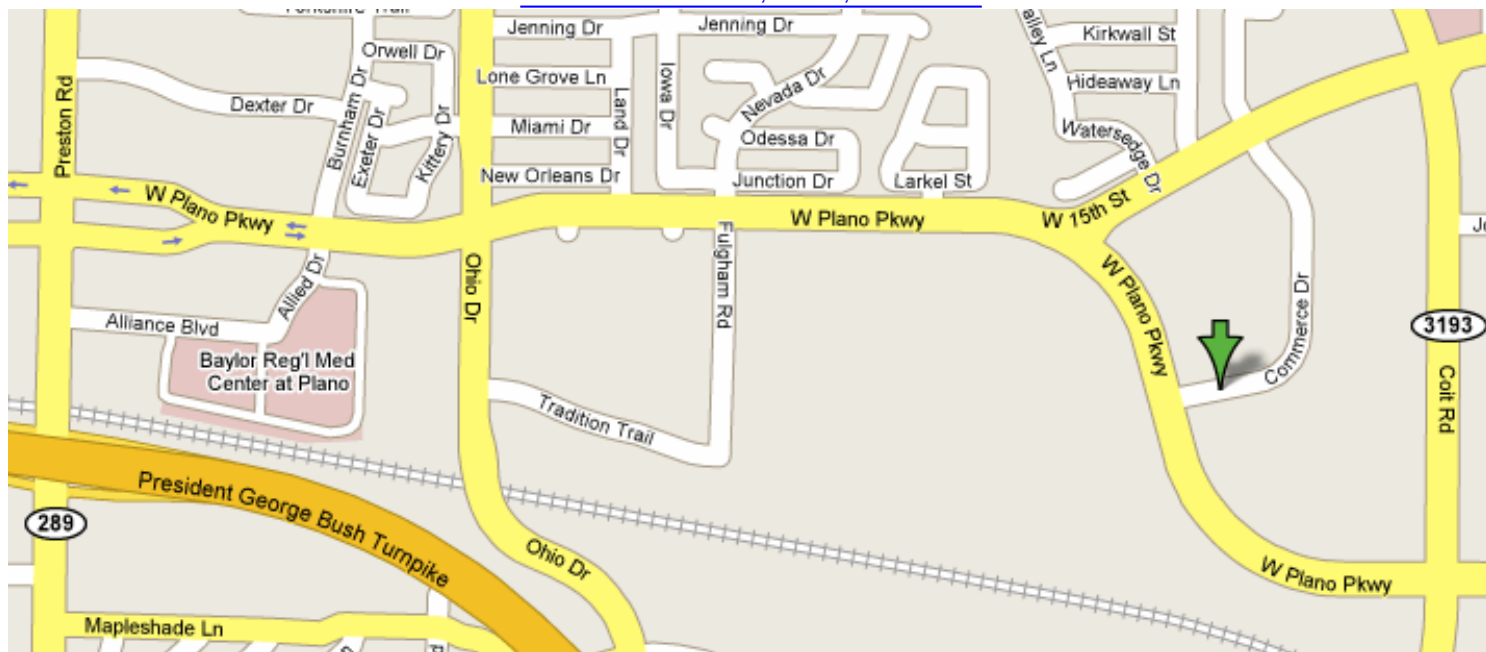

In 2000 we began selling on eBay Motors and have never looked back. We have sold thousands of cars on eBay to date and with a feedback rating of over 985 on eBay it proves our commitment to quality, professionalism, and integrity when selling pre-owned automobiles. Over 75% of our internet business is done with individuals who never get to drive, touch, or even smell the car before purchasing, but because of our hand picked inventory and quality commitment this is possible.

Also, because of our high standards we have customers from around the United States that have bought 2,3,4 and even 5 cars from us over the years. This will be the easiest car purchase you will ever do, just give us the opportunity!

We hope to be your choice in your next vehicle purchase.

Governing Law; Venue

These Terms and Conditions will be construed in accordance with and governed exclusively by the laws of the State of Texas applicable to Terms and Conditions made among Texas residents and to be performed wholly within such jurisdiction, regardless of such parties actual domiciles. For purposes of these Terms and Conditions both parties submit to personal jurisdiction in Dallas County, Texas and further agree that any cause of action arising under these Terms and Conditions will be brought exclusively in a Dallas County, Texas court.

Pre-Owned Vehicles

At Lone Star Cars we understand that to buy a vehicle you have not seen, from a dealer you have not met, requires a leap of faith that is why we make every effort to accurately and fairly describe our vehicles to our customers. However, with all pre-owned vehicles, the condition is subjective. Any errors are unintentional and at best should be very minor. They may have small dings, small scratches, and minor imperfections. The interior may also be worn due to corresponding miles on vehicle. Please be advised that you should expect a certain amount of wear, flaws and use that you would not expect from purchasing a new vehicle. These are Pre-owned vehicles and at times, they may come without accessories such as extra keys, cd magazines, navigation discs, floormats, tools, etc. and owners manuals. (Please call for actual miles as they are driven daily). Please read our descriptions and view all the pictures carefully to ensure that you are knowledgeable about the vehicle before ever placing a bid. Thank You.
