We began our business as American Auto Brokers and started our website www.trucksintexas.com Our approach is simple - whether we are selling boats or cars, trucks or RVs. We focus our energy on two things - product and price. We sell only on the internet and internet buyers are after two things - product and price. We do a lot of homework to make sure we are offering the best price for the inventory you see available. We have to! American Auto Brokers is located at the end of a cul-de-sac in an industrial business park. There is no drive-by traffic, we are not on any major highway.... heck, we don't even have a pink gorilla on our roof top. Nope, we have an un-paved lot, you'll find our sales team in casual attire and you will be surrounded with a clean and very diverse selection of inventory - product and price. Come on out and see us, you will enjoy our direct approach with a friendly staff that will have you proudly referring friends and family.
