2011 BMW 328xi xDrive AWD Luxury Car

Your Price: \$12,950

We have for sale this gorgeous 2011 BMW 328xi xDrive AWD luxury sport sedan! This car is a blast to drive and has so much to offer including heated seats, moonroof, a great factory sound system and BMW's fantastic All-Wheel Drive system! Under the hood is a smooth, 3.0L inline 6-cylinder engine that has great power and BMW's xDrive all-wheel drive system that is phenomenal especially in this part of the country! This 328xi has a lot of great options including a power moonroof that can tilt or slide open, a dual-zone automatic climate control that has separate temperature controls for the driver and passenger and the BMW Professional HiFi sound system with AM/FM radio, CD, Aux and USB inputs for your phone or Mp3 player, so you can bring all your music with you in the car. This BMW also has heated front seats and a heated steering wheel that are amazing especially this time of the year. If you've never had a car with heated seats or heated steering wheel, you will fall in love the first time you use them. They heat up fast and make a cold morning commute to work or class so much better. This 328xi looks and drives fantastic. The paint and body are in great shape and the interior is very clean. Mechanically the car has been fully inspected as well! You must see and drive this car to appreciate all that it has to offer. We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or are considering trading in your current vehicle, please call anytime.
