2014 BMW X5 xDrive35d AWD Diesel

Your Price: \$36,950

For sale a beautiful 1-owner 2014 BMW X5 xDrive35d AWD Luxury SUV that is a phenomenal SUV with so much to offer! This X5 has clearly been well cared for with only 29,659 miles on it the paint and body are exceptional and the interior is immaculate! It has a perfect history report and needs nothing at all! This X5 has gorgeous Black Sapphire Metallic paint with tinted windows that give it a clean, private appearance and a stunning 2-tone Terra and black interior that gets a ton of compliments. You really have to see and drive this SUV to appreciate everything that it has to offer! This X5 has the 3.0L clean diesel engine option, an 8-Spd automatic transmission and BMW's wonderful xDrive all-wheel drive system that combine to make this a versatile and capable SUV! If you are not familiar with BMW's diesel engine, it is very smooth, quiet and refined. It is nothing like diesel engines from even 10 years ago and it will get over 30MPG which is amazing! This X5 has a ton of great options and with such low miles it really makes this X5 a fantastic value! It has the 10.2-inch navigation screen with turn-by-turn directions, a rear-view camera and front/rear parking sensors that make parallel parking on a busy street so much easier and a huge panoramic moonroof that can tilt open or slide wide open. Of course it has all the power options you would expect plus a power rear hatch, power adjustable and heated front seats with driver's seat memory and keyless ignition with push-button start. The factory sound system is top notch as well. The sound quality is crisp and clear with speakers throughout the cabin to give you amazing surround sound audio! It has AM/FM radio, CD, harddrive music storage, AUX input and streaming Bluetooth audio so you can sync or connect multiple phones and bring all of your favorite music with you on the road! This X5 is an incredible combination of luxury and efficiency and it looks amazing. If you like how it looks in the pictures you will fall in love when you actually get to drive it!
