2014 BMW 328d xDrive AWD Turbo Diesel

Your Price:
\$23,950

We have for sale a gorgeous 2014 BMW 328d xDrive All-Wheel Drive M-SPORT luxury sedan that looks and drives phenomenally. It has beautiful Glacier Silver Metallic paint with the M-Sport Aero Package and 18" wheels that give the car an incredible stance! Under the hood is a smooth, powerful turbo clean diesel engine and 8-speed automatic that makes the car a lot of fun to drive and it gets 43mpg on the highway! There are few cars on the road that can match this 328d's style and fuel economy so we know that if you like how it looks in the pictures you will LOVE it when you get to drive it! This 328d has so much to offer especially with the M-Sport Package which really sets it apart from other 3-Series on the road with a more aggressive look and a very sporty suspension that doesn't sacrifice your ride quality either. This 328d also has all of the power options that you would expect in a car of this caliber plus heated sport seats! They heat up fast and make a cold morning drive to work or class so much better. It also has a fantastic sound system with AM/FM, CD, Aux and USB inputs for your phone or Mp3 player! This 328d xDrive is absolutely incredible. It has a combination of performance, looks and fuel economy that just isn't matched by other diesel cars on the road. We TAKE TRADES and OFFER FINANCING as well. If you have any questions or would like to discuss a possible trade, please call anytime.
