We have for sale an amazing 2014 BMW 328xi xDrive AWD luxury sports car! This 328xi is so much fun to drive and it gets around 33 mpg which is amazing. It has turbo 4-cylinder engine, 8-speed automatic transmission with sport and manual-shift modes and BMW's incredible xDrive AWD system! This 328xi has so much to offer including all the power options you would want plus power adjustable seats, a power moonroof that can tilt or slide open and push-button ignition! It also has heated front seats! If you have never had heated seats before, you are in for a treat! They heat up fast and make a cold morning drive to work or class so much better. This 328xi also has a fantastic sound system with AM/FM/CD and an Aux Input for your phone or Mp3 player. The rear seats are split-folding so you can fold part or the entire rear seat flat to haul larger items in the trunk. This 328xi has a lot to offer and only has 26,442 miles on it! The paint and body are in excellent condition and the interior is beautiful! You will have a hard time finding another car with the style, comfort and economy of this BMW and have all-wheel drive too! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or want to discuss trading in your current vehicle, please call me anytime.
