Your Price:

\$32,850

We have for sale a gorgeous 2014 BMW 535d xDrive all-wheel drive luxury sport sedan that looks and drives fantastic! This 5-Series has a beautiful Black Sapphire Metallic exterior, 18" V-Spoke wheels that give this car an incredible stance and the stunning Black Dakota Leather interior that gets a ton of compliments! This 5-Series is an absolute blast to drive. It has a smooth, powerful TwinPower Turbo diesel 6-cylinder engine, 8-Speed automatic transmission and the xDrive AWD system that is phenomenal. This car has a ton of torque thanks to the diesel engine and it is rated at 37mpg on the highway which makes it cheap to drive even if you travel a lot for work or commute daily. If you're not familiar with BMW diesel engines you should know that they are very refined, smooth and clean running. They are nothing like the older diesel engines that are loud, dirty and rough sounding! This 535d has so much to offer like navigation with turn-by-turn directions, rear-view camera, moonroof, and heated front and rear seats and a heated steering wheel as well. This 535d also has the Comfort Access option which includes keyless entry and ignition, so you can keep your key in your pocket at all times and the Harman/Kardon sound system! This sound system has crisp, clear audio with speakers throughout the cabin of the car to create amazing surround sound audio. It has AM/FM radio, Satellite Radio, CD, built-in music storage, Bluetooth streaming audio and hands-free phone! There is simply nothing else on the road that offers the handling and performance that this BMW does while still getting incredible fuel mileage! If you like how it looks in the pictures you will love it when you come drive it! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or would like to discuss a possible trade-in, please call anytime.
