2013 Lexus GS 350 AWD Sport Luxury Sedan

Your Price:
\$25,950

We have for sale a beautiful 2013 Lexus GS 350 AWD executive sport sedan that looks and drives fantastic! This car has so much to offer and gets a ton of compliments. It has gorgeous Starfire Pearl white exterior with tinted windows for a clean, private look, sharp body lines and 18" wheels that give the car an incredible stance! We know that if you like how it looks in the pictures you will fall in love when you come to drive it! Under the hood is a smooth 306hp 3.5L V6 and 6-Speed automatic with paddle shifters! This car has plenty of passing power and the exhaust note sounds phenomenal! It is a real treat to drive! It also adds adaptive variable suspension and steering so you can select from 'Normal', 'ECO,' 'Sport' or 'Sport +' modes! In normal the car is very smooth and absorbs the bumps and cracks in the road, while ECO is great for road trips to maximize comfort and fuel economy and in Sport + mode the suspension is firmer, and the steering is more responsive which makes the car the most fun to drive! This GS 350 has the Premium Package with heated and ventilated seats, a power rear sunshade and rain-sensing wipers! It has the navigation system with turn-by-turn directions, a rear-view camera and blind-spot monitoring. The sound system is amazing with 12 speakers throughout the cabin of the car for incredible surround sound audio with AM/FM/Satellite Radio, CD, Aux and USB Inputs and Bluetooth Streaming Audio! You really must see and drive this Lexus to appreciate everything that it has to offer. The car turns heads and gets a ton of compliments by everyone that sees it. We do TAKE TRADES and OFFER FINANCING! If you have any questions or want to discuss trading in your vehicle, please call anytime.
