2010 BMW 335xi xDrive AWD Turbo Sport

Your Price:
\$13,950

We are selling this beautiful 2010 BMW 335i xDrive All-Wheel Drive luxury sports car that is an absolute blast to drive and it is one of the best-looking cars on the road. This 335i has the gorgeous Black-Sapphire Metallic exterior with the Black Dakota Leather interior for a clean appearance, and the 17-inch wheels which give the car an incredible stance! This 335xi has a smooth 6-cylinder turbo, 6-speed automatic transmission that shifts perfectly and BMW's xDrive AWD system that is phenomenal in any weather conditions. Inside, this 335xi has so much to offer including a wonderful sound system with AM/FM radio, CD, Aux and USB inputs for your phone or Mp3 player. This BMW also has their signature power sport seats as another option! These seats are great. They are power adjustable in every way you can imagine and have over-sized side bolsters that wrap around you and hold you perfectly in place! Plus, these seats are heated too! If you've never had a vehicle with heated seats before you are in for a treat. They heat up fast and make a cold morning commute so much better. And living in this part of the country you'll be using the heated seats in the morning and the ice-cold A/C in the afternoon! This 335xi has all the power options you would want plus, it has a power moonroof that you can tilt open or it slides all the way open and Xenon dynamic head lights that are amazing. These lights are super bright and give you so much better visibility at night. Once you drive a car with Xenon's you'll never go back to the old halogen head lights. If you're looking for a fun to drive car with a lot to offer, then this 335xi is the perfect choice. We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or want to discuss trading in your current vehicle, please call us anytime.
