2008 Mercedes-Benz C300 Sport 4MATIC AWD

Your Price:

\$11,950

We are selling a gorgeous 2008 Mercedes-Benz C300 Sport 4Matic AWD luxury car that looks and drives fantastic! This C300 has beautiful Palladium Silver Metallic and beautiful black interior with brushed aluminum trim! This C300 is the Sport model so it has AMG (Mercedes performance division) styled front and rear bumpers to give the car a more aggressive feel and the 17" sport wheels give the car a great stance. This C300 has all the options that you would expect in a car of this caliber plus a moonroof that can tilt or slide open and heated power seats! The heated seats are especially nice around this time of the year because they heat up fast and make a cold morning drive to work or class so much better. This C300 also has dual-zone automatic climate control with separate temperature zones for the driver and passenger, power sunroof can tilt open or slide all the way open and this C300 has a great sound system with AM/FM radio, Sirius satellite radio, and CD. This C300 also has Bluetooth interface for your phone so you can send/receive calls without being distracted. This Mercedes is in great shape inside and out. It has so much to offer and the all-wheel drive makes this the perfect luxury car to drive year round in this part of the country! We do TAKE TRADES and offer FINANCING! If you have any questions or want to discuss trading in your vehicle, please call anytime.
