2013 Lexus RX 350 AWD Luxury Crossover

Your Price:
\$26,950

We have for sale a gorgeous 2013 Lexus RX 350 AWD Luxury Crossover that looks and drives great! This RX 350 is one of the nicest crossover SUVs you will find for the money and it gets a ton of compliments! It has a beautiful Obsidian exterior and 18" 5-spoke alloy wheels that give the Lexus a great stance. We know that if you like how it looks in the pictures you will love it when you come drive it! This RX 350 has a smooth and powerful 3.5L V6, 6-Speed Automatic transmission and a fantastic All-wheel drive system so it is sporty to drive and very capable in poor weather and harsh road conditions. It also has the Lexus display audio package, this includes a crisp and clear 12 speaker surround sound audio and a backup camera to make parking in tight spaces that much easier! Inside, this RX 350 has all the options you would want in an SUV of this caliber plus power and heated front and ventilated front seats, a power moonroof that can tilt or slide open a power rear hatch and auto-dimming rear-view mirror that greatly reduces the glare from headlights behind you. This Lexus has a large rear cargo area and the rear seats are 60/40 split-folding which is nice when hauling a lot of stuff or just a few large items. You really must see and drive this Lexus to appreciate how nice they are especially for the price! It has a lot to offer and is a treat to drive, plus they are very reliable too! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or would like to discuss a possible trade-in, please call anytime.
