2007 Jeep Wrangler Unlimited 4x4 w/V8

Your Price: \$34,950

We have for sale an incredible Jeep Wrangler Unlimited Sahara 4x4 that looks and drives fantastic! This Wrangler has been professionally built and modified to make it stand out from the other SUVs on the road and allow it go places even other Jeeps won't be able to go! It gets looks and attention everywhere you take it with the 37" tires on black bead-lock style rims, heavy duty front and rear bumpers, a phenomenal suspension setup and oh yeah... a 6.0L V8 under the hood! You have to see and drive this Jeep to appreciate the money and work that has gone into it! This Wrangler was professionally swapped to a 6.0L Chevrolet V8 and 6-speed transmission by MOTEC in Las Vegas. They specialize in V8 conversions so you know the job was done RIGHT and not hacked together by an amateur. The engine is a brand new crate engine with just 8,000 miles on it! The suspension has been overhauled and beefed up to handle the trails with King coilover suspension, upgraded axles, Rubicon electronic locking differentials, upgraded front brakes, and much more! It sits on 37 inch Goodyear MT/R tires and black bead-lock wheels. This Jeep is also outfitted with a 12,000lb Smittybilt winch and onboard air compressor to refill your tires after you get done on the trails. Inside, this Jeep retains all of the comfort options you'd want including heated seats that are amazing this time of the year, cruise control, power windows and locks! It has the 3-piece Freedom Hardtop and the Infinity sound system with subwoofer in the back cargo area. Also in the cargo area is a bolt in storage rack to keep things organized and optimize the storage capacity! You simply have to see and drive this Jeep to appreciate the thousands of dollars in quality parts and hours of research and work that has produced a Jeep that is built to be driven and be reliable and look great! If you like how it looks in the pictures you will love it when you get to drive it.
