We are Capital Motor Company, a Wisconsin licensed motor vehicle dealership specializing in internet vehicle sales. All of our vehicles are marketed via the internet and we sell vehicles to customers in all parts of the United States and Canada. We pride ourselves on the personalized customer experience that we provide and are very lucky to have a large and supportive customer base. Because we have a vast amount of experience in internet/ebay sales, please rest assured that we can make your experience enjoyable and rewarding. Our vehicles are among the best and as you probably know our prices cannot be beaten.

We are able to help coordinate shipping and financing (although you should arrange financing with us prior to bidding on a vehicle auction), and we will also help you with title processing. We are very familiar with the laws and regulations concerning most states and will guarantee a smooth, easy transaction. We will be collecting Tax, Title, and Licensing fees from any buyers that are residents of the state of Wisconsin and we will file all registration and licensing documents for you. We do not collect any fees from buyers that are residents of any states other than Wisconsin but we will provide guidance, instructions, and documentation to help you with any questions that you may have.
