2014 BMW 328d xDrive AWD Diesel Luxury

Your Price:

\$22,850

We are selling this gorgeous 2014 BMW 328d xDrive AWD Clean Diesel luxury sports car! This is a fantastic car with a lot to offer and it is in great shape inside and out. The paint and body are in excellent shape and the interior looks and feels like new! We know that if you like how this BMW looks in the pictures you will love it when you come drive it. Under the hood is a 2.0L clean turbo diesel 4-cylinder and 8-speed automatic transmission with optional sport and manual-shift modes that make the car a lot of fun to drive. Of course, it also has BMW's phenomenal xDrive All-Wheel Drive system that is great in any weather conditions and makes this the perfect choice to drive all year round in this part of the country. The diesel engine option is incredibly fuel efficient. It is rated at 43mpg which is significantly better than the gas version and that is very impressive especially with all-wheel drive! This 328d xDrive has all the options that you would expect to find in a car of this caliber plus it has a heated steering wheel, heated front and heated rear seats that heat up fast and make a cold morning commute so much better, a rear-view camera with parking sensors and the factory navigation system! This navigation system is very easy to use and gives you turn-by-turn directions so driving in an unfamiliar city is much less stressful. This 328d has a wonderful factory sound system with AM/FM/SAT radio, MP3/CD player, Aux and USB inputs and Bluetooth interface for audio streaming and hands-free calling. There is no shortage of ways to bring your favorite music with you in the car! There is no doubt that if you like how the car looks in the pictures you will love it when you come and drive it. There are not many cars on the road that look as good as this BMW and can match what this 328d has to offer especially with the all-wheel drive!
