## 2009 Cadillac Escalade AWD SUV w/3rd Row

Your Price:

**\$21,950**

2009 Cadillac Escalade AWD Luxury SUV with 3rd Row Seating for 7 total passengers! This Escalade looks amazing and it has a lot to offer. It has gorgeous Black Raven paint with the 22" chrome wheels and chrome accents. The paint and body are in excellent shape and the interior is fantastic. There is no doubt the previous owner really loved this Cadillac! This Escalade has all the options you would expect in an SUV of this caliber plus the front seats are heated and cooled, it has heated rear seats which is especially nice this part of the year! It also has factory remote start, so you can start the SUV without going outside so in the winter it will be toasty warm and in the summer the interior will already be cooled off! The touchscreen navigation system is very easy to use and provides turn-by-turn directions, a back-up camera that makes backing up to a trailer or parallel parking on a busy street much easier. Probably the best feature is the fantastic BOSE audio system and DVD Entertainment system that is perfect for road trips! Just grab a handful of DVDs and you can keep the kids (or adults!) quiet for hours on end! Under the hood is a smooth, powerful 6.2L V8 engine that has more than enough power to handle any of your towing or hauling needs and it has full-time 4-wheel drive, so you never have to worry about if you should be in 2-wheel drive or 4-wheel drive. There are very few SUVs on the road that can match the style and level of luxury this Escalade offers so if you like it in the pictures you will love it when you get to drive it!
