2003 International Danco 4 Car Hauler

Your Price: \$39,950

We have for sale a very nice 2003 International 4400 Danco 4 Car Hauler that runs and drives fantastic! This hauler has a lot of nice options to offer and is a great opportunity to expand your fleet or upgrade your car hauling capability! This hauler has the DT466 diesel engine that was just professionally rebuilt less than 5,000 miles ago and a 6-speed transmission that shifts great. The engine underwent a full in-frame rebuild with new rod and main bearings, liners, piston and rings. Additionally, the cylinder head was resurfaced and reinstalled with new injectors. All of the work was completed at a truck/heavy equipment specialty repair facility. The truck starts, runs and drives great! It has a 30-foot main hauling deck with 20,000lbs capacity and 13.5-foot front deck with a 7,000lbs capacity. Additionally, there is a wheel lift that can tow a fourth vehicle! The main deck is fitted with two 12,000lb winches and there is a third 12,000lb winch on the front deck so you won't have any issues in the event you have to pull a non-running truck or SUV onto the hauler! One of the extra benefits of this Danco hauler is the additional exterior storage compartments between the main deck and the cab. There are 3 separate storage areas plus the diamond plate storage box mounted on the side of the truck. Inside, there is an air ride driver's seat and two passenger bench seat, heat and a/c that work great, cruise control and a AM/FM/CD radio! If you are looking for a reliable, well-kept 4-car hauler that doesn't cost an arm and a leg to own and operate this is a great choice. With the recent rebuild and maintenance items this Danco is a great value at the price! It has been completely inspected and certified to be sold. It has zero concerns and can be put to use from day one! The tires, brakes, lights, electronics, controls, suspension, engine and drivetrain have all been gone through so there are no surprises. The GVWR on this truck is 31,000 lbs. We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or would like to discuss a possible trade-in, please call anytime.
