For sale is this 1 Owner 2013 Ford F-150 SuperCrew Platinum 4x4 truck that looks and drives fantastic! This truck has so much to offer and is an absolute treat to drive. The paint and body are in great shape the interior is very clean. It has beautiful White Platinum Tri-Coat paint with chrome trim and the 20-inch polished wheels (wrapped in brand new tires) that give this truck the perfect stance! This F-150 has a lot to offer with the Platinum trim which offers all the options of a Lariat or King Ranch plus more! It has the touchscreen navigation system with backup camera, power retractable running boards, and heated and cooled seats that are amazing! Plus, it has factory remote start so you can start the truck from inside your house or office so you never have to get into an uncomfortable truck again. This F-150 has the Sony Premium sound system with full touchscreen controls which makes it very easy to use. It has AM/FM/Sat Radio, CD, SD Card Slot, USB Inputs and Streaming Bluetooth Audio so there is no shortage of ways to listen to your favorite music. Of course the best part of this truck is the incredible 3.5L EcoBoost V6 which puts out an impressive 365hp and 420 lb-ft of torque which is actually more than the 5.0L V8 engine option, while getting better gas mileage as well! It also gives this truck the power to tow over 10,000lbs with ease, it even has a factory brake controller! The truck also has the hard to find 6.5 foot bed which gives you added cargo room without making the truck too big or long. We know that if you like how it looks in the pictures you will love it when you come and drive it and we know you will have a hard time finding a cleaner, lower mileage F-150 Platinum with these options for less money!
