2013 Chevrolet Silverado 1500 LT Crew

Your Price: \$26,950

For sale a very sharp looking, low mileage 2013 Chevy Silverado 1500 LT Crew Cab 4x4 short box that looks and drives amazing! This is an incredible truck for the money and has clearly been well cared for! It only has 36,205 miles on it and the paint and body are beautiful and the interior is immaculate. It has clearly never been used as a work truck or seen any amount of heavy use! If you like how it looks in the pictures you will love it when you come and drive it! This Silverado has the very reliable 5.3L V8 engine, 6-speed automatic transmission and the shift-on-the-fly 4x4! The 4x4 system gives you the option of 2-wheel drive, Auto-4x4 that automatically engages all four wheels only when needed, 4-HI which sends power to all four wheels and 4-LOW which is only used for rough terrain or and at low speeds for heavy towing or other situations. This Silverado has the tow package and won't have any issues towing your boat, trailer or camper! This Silverado has the full size Crew Cab which gives you a ton of interior room for up to six adults and having full size rear doors makes getting in and out of the back seats so much nicer. Since the truck has the LT option package it has all of the power options you would want plus a power driver's seat, dual-zone automatic climate controls with separate temperature zones for the driver and passenger and a fantastic sound system with CD, AM/FM radio, XM Satellite radio, and an Aux input for your phone or Mp3 player. Plus, steering wheel audio controls and you can sync your phone through the Bluetooth hand's free system to send/receive phone calls without being distracted! The box has a bed liner and tonneau cover to protect your tools, golf clubs and gear from the elements. Also, another great feature is the remote start that allows you to start and pre-heat your truck from inside the house or office! This Silverado has been fully inspected and needs nothing at all. You will not show up and be disappointed with this truck!
