## 2013 Chevrolet Silverado 1500 Crew Cab

Your Price: \$27,950

We have for sale a gorgeous 2013 Chevy Silverado 1500 crew cab 4x4 truck! This is an incredible truck for the money. It gets a ton of compliments and has a lot to offer. This truck has clearly been well cared for. It only has 36,205 miles on it and the paint and body are beautiful and the interior is immaculate. It is definitely not a work truck or a truck that has any amount of heavy use! This Silverado has the Vortec 5.3L V8 and the tow package so it will handle any of your towing needs. The truck has two full bench seats with a fold down center console in the front. So, you can actually haul up to 6 people if you need! The sound system is very nice and includes CD, AM/FM radio, XM Satellite radio, and an Aux input for your phone or Mp3 player. Plus, steering wheel audio controls and you can sync your phone through the Bluetooth hand's free system to send/receive phone calls without being distracted! The box has a roll up tonneau cover to protect your tools, golf clubs and gear from the elements. Also, another great feature is the remote start. You can start the truck in the comfort of your own home or office while it warms up on the cold winter days or cools off during the mid-summer heat. There are not many trucks on the road that can match what this Silverado has to offer! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or want to discuss a possible trade, please call anytime.
