Your Price:

**\$18,950**

We have for sale this gorgeous 2014 Mercedes-Benz C300 Sport 4Matic AWD luxury car that runs and drives fantastic! This C300 has a great look with beautiful white exterior for a clean appearance and 17-inch split-spoke wheels that give the car a great stance! We know that if you like how this Mercedes looks in the pictures you will love it when you come drive it. Inside this C300 has all the options that you would expect from a car of this caliber plus it has dual power front seats, a power moonroof that can tilt and/or slide open and dual-zone automatic climate control with separate temperature controls for the driver and passenger. This C300 also has amazing heated seats! If you've never had heated seats before you will fall in love the first time you use them. They heat up fast and make a cold morning commute to work or class so much better. Another great option is the factory sound system! It has speakers throughout the car and the sound quality is crisp and clear with AM/FM radio, satellite radio, CD, Aux and USB inputs and even streaming Bluetooth audio so there is no shortage of ways to sync your phone or Mp3 player and bring all of your music with you in the car. It also has Bluetooth hands-free phone, so you can send and receive calls without being distracted. This Mercedes also has a navigation system that is very simple to use and gives you easy to follow turn-by-turn directions that makes road trips or driving in an unfamiliar city much more enjoyable, and a Rear-view camera system that make parallel parking on a busy street so much easier! This Mercedes has been very well cared for. The paint and body are in excellent shape and the interior is beautiful. We know that if you like how it looks in pictures you will love it when you get to drive it!
