2011 BMW 335d Turbo Clean Diesel

Your Price: \$11,750

We have for sale a gorgeous 2011 BMW 335d turbo diesel luxury sports car! This is a phenomenal car with a lot to offer while an incredible 35+ MPG! It has beautiful Black Sapphire Metallic paint with tinted windows that give it a clean, private look and 17-inch Style 284 radial-spoke wheels that give this 335d a great stance! We know that if you like how it looks in the pictures you will fall in love once you get to drive it! There is virtually nothing else on the road that looks as good as this BMW and gets the MPGs that this 335d gets. This BMW has so much to offer including the factory navigation system with turn-by-turn directions and the Cold Weather Package which includes heated seats and a heated steering wheel! If you have never had a car with heated seats or especially the heated steering, you are in for a treat. They heat up fast and make a cold morning commute so much nicer! This 335d has a fantastic sound system with AM/FM radio, Satellite radio, CD and an Aux input for your phone or Mp3 player. It has all the power options you'd expect plus dual-zone automatic climate controls, a power moonroof that can tilt and slide open and Xenon Dynamic headlights that are amazing at night. These lights give you significantly better visibility at night and they don't blind the on-coming traffic either. The paint and body of this BMW are in great shape and have clearly been well cared for. The interior is equally nice and needs nothing at all. It is easy to tell that the previous owner really loved this car! If you are looking for an inexpensive luxury car that is fun to drive and gets amazing fuel mileage this 335d is the perfect choice!
