2014 BMW 328d xDrive AWD Diesel Sport

Your Price:
\$19,950

We are selling this gorgeous 2014 BMW 328d xDrive AWD Clean Diesel luxury sports car that has a lot to offer including the Sport Package and is in great shape inside and out! The paint and body are in excellent shape and the interior looks and feels like new! It is easy to tell that the previous owner really loved this car and we know that if you like how this BMW looks in the pictures you will love it when you come drive it. This 328d is a lot of fun to drive as well. It has BMW's 2.0L-Turbo Clean Diesel engine, an 8-Speed automatic transmission with Sport and Manual-shift modes and the xDrive All-Wheel Drive system which makes this car the perfect choice for this part of the country. Plus, it is rated at 43MPG on the highway! This 328d has several great options including the Sport Line Package which adds the 18-inch wheels that give the car a great look, plus power Sport Seats that are incredible. These seats are power adjustable in every way you can imagine and have over-sized side bolsters that feel like they wrap around you and hug you in place. It also adds blacked out headliner, trim and the 3-spoke sport steering wheel! This 328d xDrive also heated front seats! These are especially nice in this part of the country. Once you have heated seats you will never want to be without them! The car also has the factory navigation system with turn-by-turn directions and a wonderful HiFi sound system with AM/FM radio, CD, Aux and USB inputs and Streaming Bluetooth Audio! The sound quality is crystal clear and makes listening to your favorite music even better. Once you drive this car you will agree that there are very, very few cars on the road that look as good as this 328d and offer the efficiency and luxury options this BMW does all for under \$20,000!
