2013 BMW 328xi xDrive AWD with Premium

Your Price:
\$16,950

We have for sale an amazing 2013 BMW 328xi xDrive AWD luxury sports car! This 328xi is so much fun to drive and it gets around 33 mpg which is amazing. It has turbo 4-cylinder engine, 8-speed automatic transmission with sport and manual-shift modes and BMW's incredible xDrive AWD system! This 328xi has so much to offer including all the power options you would want plus a power moonroof that can tilt or slide open and a great sound system. It also has heated seats! These seats are wonderful. If you have never had heated seats before, you are in for a treat! They heat up fast and make a cold morning drive to work or class so much better. Plus, they are power adjustable and the driver's seat has memory function to save your favorite seat position. This 328xi has a fantastic sound system with AM/FM radio, Satellite radio CD, and an Aux Input for your phone or Mp3 player. The rear seats are split-folding, so you can fold part or the entire rear seat flat to haul larger items in the trunk. Another great option is the Comfort Access option which uses a proximity key that you can simply keep in your pocket. You are able to lock or unlock the car just by touching the door handle and when you get in, just press the push-button start and drive away so you never have to take the key out of your pocket! As you can see in the pictures this 328xi has been very well cared for and it is easy to tell that the previous owner really loved this car. The paint and body are in excellent condition and the interior is beautiful! You will have a hard time finding another car with the style, comfort and economy of this BMW and have all-wheel drive too! If you have any questions or would like to discuss a trade please call anytime.
