We have for sale a very cool 2007 Dodge Nitro 4x4 Sport Utility Vehicle! You will love how capable and versatile this Nitro. This Nitro has a neat look with big fender flares and a brawny off-road stance that gets compliments from everyone! This Nitro has a fantastic switch-on-the-fly 4x4 system that is used in Jeeps which are known for their off-road capability. This Nitro also has a 3.7L V6 engine that gives you great power and torque while still getting great gas mileage too! It is easy to tell that this Nitro has been well cared for inside and out. The paint and body are Beautiful, and the interior is exceptionally clean. One of the great things about this Nitro is how much interior room it has. There is a ton of head and leg room for 5 adults plus the additional cargo area behind the rear seats. If you need extra cargo space, you can fold half or all the rear seat down which opens the entire back half to haul whatever you may need. This Nitro also has a very nice audio system with AM/FM/CD and an auxiliary input for your phone or MP3 player, so you can listen to your favorite tunes. This Nitro has several great options such as power windows, locks, and mirrors, cruise control which makes driving for long periods of time at the same speed much more enjoyable. Also, this Nitro includes the keyless entry system. You will love how smooth this Nitro drives. It always feels very stable and with the traction control and 4x4 it drives great in the snow and on slippery roads! To make sure this Dodge Nitro runs and drives perfectly, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the SUV's systems, fluids, electrical, brakes, tires, suspension, engine and drivetrain are inspected so there are absolutely no surprises when you come to drive this Nitro! If you have any questions or you want to discuss a possible trade, please call anytime.
