We have for sale this stunning 2014 BMW 528xi xDrive AWD executive luxury sedan that looks phenomenal inside and out! It has a sleek style with the two-tone mocha and black interior and it's 18-inch M-Sport wheels give this BMW an incredible stance! This car gets a ton of compliments and has one of the most beautiful interior colors available so we know that if you like how it looks in the pictures you will love it when you come to drive it. This 528xi is a lot of fun to drive! It has a smooth, powerful turbo engine with an 8-speed sport automatic transmission and BMW's xDrive All-Wheel Drive system is great in any weather and gives this car amazing handling ability! What really sets this car apart from other BMWs is the M-Sport Package which goes above and beyond the regular sport package to include the Aerodynamic kit with more aggressive front and rear bumpers, a 3-spoke M-Sport steering wheel and the beautiful M-Sport wheels! It has the navigation system that is easy to use and gives you turn by turn directions, plus a rear-view camera and front/rear parking sensors that make parallel parking on a busy street so much easier! The car has a fantastic Harmon/Kardon premium sound system with AM/FM/CD, Satellite Radio, Bluetooth Streaming Audio, Aux and USB inputs for your phone or Mp3 player! The front seats are power adjustable in every way you can imagine. It also has heated front seats and rear seats and a heated steering wheel as well! This 528xi is a gorgeous car that has clearly been very well cared for. It looks, drives and feels like new. The car has been fully inspected and certified to be sold. All the systems, fluids, brakes, tires, suspension, engine and drivetrain have been inspected and it needs nothing at all.
