2014 BMW 320xi xDrive AWD Turbo with

Your Price: \$17,450

We are selling this gorgeous 2014 BMW 320xi xDrive AWD sedan! This is an incredible car with a lot to offer and it is in great shape inside and out with only 43,519 miles on it! The paint and body are in excellent shape and the interior looks and feels like new so we know that if you like how this BMW looks in the pictures you will love it when you come drive it! This 320xi has a 2.0L Turbo 4-Cylinder that offers great power and still gets 35MPG on the highway which makes it cheap to drive even if you commute for work or class. Plus, it has BMW's phenomenal xDrive All-Wheel Drive system that is great in the snow and other types of severe weather! This BMW has a lot to offer including heated front seats that are amazing in this part of the country! If you have never had heated seats before you are in for a treat. They heat up fast and make a cold morning commute to work or class so much better! This 320xi also has a power moonroof that can tilt open or slide wide open to let plenty of fresh air in, dual-zone automatic climate controls with separate temperature adjustments for the driver and passenger side, all the power options plus keyless entry with push-button start and rain-sensing wipers that will speed up or slow down depending how hard it is raining or snowing and the speed of the vehicle! This 320xi has a great sound system as well with AM/FM/CD plus an Aux input for your phone or Mp3 player so you can bring all of your favorite music with you in the car and Bluetooth connection to send and receive phone calls. This 320xi is a blast to drive and has a lot to offer for the money! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or want to discuss trading in your current vehicle, please call anytime.
