2011 BMW 335d Turbo Clean Diesel

Your Price: \$14,450

We have for sale a gorgeous, low mileage 2011 BMW 335d Clean Turbo Diesel luxury sports car with a lot to offer and a great look too. The car has beautiful Space Gray Metallic paint with tinted windows to give the car a clean, private appearance a stunning 2-Tone Oyster and Black interior and the 17-inch 10-spoke wheels that give the car a nice stance! We know that if you like how it looks in the pictures you will fall in love when you come drive it! There is virtually nothing else on the road that looks as good as this BMW and gets the MPGs that this 335d gets! The 3.0L 6-cylinder diesel offers 425 ft-lbs of torque which makes it an absolute blast to drive. The power is instant and really throws you back in the seat when you want it! The best part is, you still get great MPG because it is rated at 36MPG on the highway! This BMW has so much to offer including the heated seats! If you have never had a car with heated seats, you are in for a treat. They heat up fast and make a cold morning commute so much nicer! This 335d also has the Navigation system with turn-by-turn directions. It is very easy to use with the iDrive controller that also controls the fantastic HiFi Sound system with AM/FM radio, Satellite radio, CD, a Built-In Music Hard Drive, Aux and USB Inputs and even Streaming Bluetooth Audio and Bluetooth connection for phone calls! There is no shortage of ways to bring your favorite music on the road with you. Of course, it has all the power options you would expect in a car of this caliber plus dual-zone automatic climate controls, a power moonroof that can tilt and slide open, and Xenon headlights that are amazing at night. These lights give you significantly better visibility at night and they don't blind the on-coming traffic either. The car has just 77,891 miles on it and is in great condition inside and out. These 335d TDIs are such an incredible value and are getting harder to find! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or want to discuss trading in your current vehicle, please call me anytime.
