## 2009 Jaguar XF Supercharged 420HP

Your Price: \$16,950

For sale is this stunning 2009 Jaguar XF Supercharged luxury sport sedan that turns heads and has a lot to offer! It has gorgeous Emerald Fire paint with tinted windows and 20-inch wheels that give this car an incredible stance! The paint and body are in great shape and the interior is amazing. You can certainly tell the previous owner loved this car. Under the hood is a 420HP Supercharged V8 and a 6-speed automatic transmission with steering wheel mounted paddle shifters. The transmission offers 3 modes of operation: Standard, Winter and Dynamic. In Dynamic mode the driver has full control over upshifting via the paddle shifters and there is a noticeable difference in throttle response and overall responsiveness of the car that makes it very enjoyable to drive! It also offers two suspension modes with the Standard Mode that is perfect for casual driving or when travelling with a business client and the Sport Mode firms the suspension to improve handling and reduce body roll. Whatever your mood, this Jaguar has the answer! Open the door and press the START button allows the V8 to roar to life, queues the dash vents to open and the rotary shift dial emerges from the center console awaiting your command. The interior is filled with luxury options like the touchscreen navigation system and rear-view camera, plus heated and ventilated front seats and even a heated steering wheel. This XF offers the Bowers & Wilkins 13-Speaker Surround Sound Audio system that is phenomenal. The sound quality is crisp and clear and it has AM/FM/Sat Radio, CD, Aux and USB Inputs to connect your phone or Mp3 player and bring your favorite music on the road with you. There are very, very few cars on the road that can match the power, elegance and luxury of this Jaguar and even fewer cost anywhere near what this one does so we know if you like how it looks in the pictures you will love it when you come drive it!
