2005 Jaguar S-Type Luxury Sport Sedan

Your Price: \$6,950

We have for sale this beautiful, low mileage 2005 Jaguar S-Type luxury sport sedan that looks and drives fantastic! This Jag has gorgeous Zircon blue paint with tinted windows that give the car a clean, private look and the 17-inch "Kronos" split-spoke wheels that give this S-Type the perfect stance! You'll have a hard time finding a more recognizable luxury car with so much to offer for the money so we know that if you like how it looks in the pictures you will love it when you come to buy it! This Jag has so much to offer including the head-turning style and it has clearly been well cared for. The paint and body are very clean and the interior is exceptionally nice. It looks better than most cars that are only 3 or 4 years old with half the miles! This S-Type has the Premium Package which includes a ton of great features like rain-sensing wipers that can adjust automatically so when it is raining harder they swipe faster and when it's just sprinkling they will pause longer! It also has auto-dimming mirrors, power pedals, memory settings for the driver's seat, steering wheel and pedals. Also this Jaguar has power adjustable front seats and heated seats! If you have never had a vehicle with heated seats before you are in for a treat. They heat up fast and make a cold morning commute to work or class so much better. It also has a power moonroof that can be tilted open or slide wide open to let plenty of fresh air in and the dual-zone automatic climate controls give the passenger and driver separate temperature zones so that everyone riding is comfortable! You really have to see and drive this Jag to appreciate just how nice it is. It has a smooth 3.0L V6 engine that has great power and responsiveness with a 6-speed automatic transmission. The car is a lot of fun to drive and so comfortable! You will have a hard time finding a smoother riding car for the money!
