1979 Lincoln Continental Town Coupe V8

Your Price:

\$14,950

For sale a beautiful '79 Lincoln Continental Town Coupe with just 23,645 miles on it! There are not many cars that will bring a smile to just about anyone's face like this gorgeous Lincoln. Everyone that sees it comments on it and everyone you drive past on the street will double-take because you just don't see many of these cars still on the road, especially in this great of condition! It is the last of the truly full-size V8 American cars with velour interior and big metal bumpers. Under the hood is a smooth 400 cubic inch V8 engine that pushes the car along with ease. The car has beautiful Dark Cordovan Metallic paint with matching landau top, chrome bumpers and grille and a brand new set of white wall tires wrapped around the polished wheels! Swing open the door and you'll instantly take notice of the ultra-plush red interior that is exceptionally clean and the seats that are more inviting than that favorite couch your grandparents had back in the day! One thing is clear about this Lincoln, the interior has been very well cared for. From the crack-free dash to the soft seats and rich red carpet to the wood grain trim complimenting the dash filled with easy to read gauges. It's all in amazing condition! This Lincoln comes with more power options than many new cars including power windows, power locks, power mirrors and even a power driver's seat so you can find just the right position to enjoy cruising to the car show. The car also comes with an AM/FM sound system and fully functioning 8-track player (Try to find this option in a new car!). We'll even throw in the previous owner's 8-track collection for your listening enjoyment. There is a power antenna, cruise control and fully-functioning air conditioning as well. In fact, all of the options work just as they should. To make sure this Lincoln runs and drives as good as it looks it has been fully inspected. The inspection process is very thorough and all of the car's systems have been gone through so there are no surprises! If you have any questions please call anytime at (715) 833-2020.
