1989 Chrysler TC by Maserati

Your Price: \$6,950

We have for sale, a very hard to find 89 Chrysler TC by Maserati Grand Touring Convertible! This gorgeous grand touring convertible gets so many looks and compliments and it has just 50,312 miles on it. It has a storied history of collaboration between two iconic automobile giants (Lee Iacocca of Chrysler and Alejandro de Tomaso past owner of Maserati) to create a smooth, luxurious highway cruiser with a fantastic look. The TC runs and drives great. It has a Turbocharged 2.2L 4-Cylinder engine and Automatic transmission that makes it a treat to drive. The car is smooth and drives like a dream. It has beautiful Exotic Red paint that turns heads and looks amazing and the hand-stitched Italian leather interior is something that really sets this TC apart. Of course, the main feature of the TC is the removable hard top convertible! This offers you the best of both worlds as the car looks great with or without the top and when the top is installed the interior is quiet, refined luxury. The convertible top can be quickly removed to allow you to enjoy the beautiful sunshine in style! The TC Maserati offers all of the power options you would want like power windows, locks and mirrors plus cruise control and the seats are power adjustable as well! These seats are some of the most comfortable seats you will ever sit in. The bolsters just wrap around you to hug you in place! It also has the 6-speaker Infinity sound system that sounds great with or without the top and ice-cold air conditioning that is a must have – even when enjoying the car with the top off! You truly have to see and drive such a unique car as this TC Maserati. It's something you just don't see every day and is always a good conversation starter.
