2010 BMW 335d Clean Turbo Diesel Sports

Your Price:

\$11,950

We are selling a gorgeous 2010 BMW 335d clean diesel luxury sports car that has so much to offer and is a blast to drive. This 335d has incredible power and gets over 35 mpg too! If you're not familiar with the 335d, it has a smooth 6-cylinder turbo diesel with 265hp and 425 ft-lbs of torque. This car is the best color combo of black on black with the multi-spoke wheels that give it a great stance. There is virtually nothing else on the road that looks as good as this BMW and gets the MPGs that this 335d gets. This BMW has so much to offer including the factory navigation system with turn-by-turn directions a fantastic sound system with AM/FM/CD, satellite radio, Aux and USB inputs and Bluetooth hand's free interface for your phone. Another great feature is the Heated Seats and Heated Steering Wheel! If you have never had a car with heated seats, or especially the heated steering wheel you are in for a treat. They heat up fast and make a cold morning drive to work so much better! It has all the power options you'd expect plus dual-zone automatic climate controls, a power moonroof that can tilt and slide open and Xenon Dynamic headlights that are amazing at night. These lights give you significantly better visibility at night and they don't blind the on-coming traffic either. Once you drive a diesel 3-Series you will fall in love! We do TAKE TRADES and OFFER FINANCING as well. If you have any questions or want to discuss trading in your current vehicle, please call me anytime.
