Your Price: \$18,950

We are selling this gorgeous low mileage 2013 BMW 328xi xDrive AWD luxury sports car with a lot to offer and is a treat to drive! The color is called Mineral Gray Metallic which looks fantastic and gets a ton of compliments. The paint and body are so clean and the interior is immaculate. There is no doubt the previous owner loved this car and we know if you like how it looks in the pictures you will love it when you come drive it! 33MPG on the highway is amazing for a luxury sport sedan with all-wheel drive! It also makes this the perfect car to drive if you commute to work or class as it won't cost you an arm and a leg in gas and BMW's xDrive AWD system is phenomenal in any type of weather conditions! This 328xi has all the options you would expect to find in a car of this caliber plus the Cold Weather Package with Heated Front and Rear Seats and a Heated Steering Wheel! If you have never had heated seats or a heated steering wheel before you are in for a treat. They heat up fast and make a cold morning commute to work so much better. This BMW also has the Premium Package with a power moonroof that can tilt or slide open, Dakota leather interior and Comfort Access which uses a proximity key that lets you lock or unlock the car just by touching the door handle! You will love the factory sound system as well. It has AM/FM radio, Satellite radio, CD, Aux and USB inputs and Bluetooth Streaming so there is no shortage of ways to bring your favorite music on the road with you! The car has just 34,688 miles on it and has clearly been well cared for. You have to see and drive the car to appreciate just how nice it is! If you would like more information or would like to come see the vehicle, please call us at (715) 833-2020.
