One owner 2015 BMW X5 xDrive35i AWD Luxury Crossover SUV with so much to offer! You can tell this X5 has been very well cared for. The paint and body are exceptionally clean and the interior is beautiful. There are few SUVs on the road that offer the versatility, comfort and performance of this X5 so we know that if you like how it looks in the pictures you will love everything that it has to offer when you come and drive it! This X5 is a treat to drive with BMW's xDrive All-Wheel Drive system that handles severe weather and poor road conditions with ease! Plus, it is rated at 27MPG on the highway which is fantastic for a luxury SUV! Inside, it has all the options you would want in an SUV of this caliber plus much more including the Heated Front and Rear Seats and a Heated Steering Wheel which are especially nice in this part of the country. They heat up fast and make a cold morning drive to work or class so much better. This X5 has the Navigation system with turn-by-turn directions and a Rear-View Camera which makes parallel parking on a busy street much easier! It also has a wonderful sound system with Streaming Bluetooth Audio, a Built-In Music Hard Drive and Satellite Radio plus AM/FM/CD and Aux/USB inputs so there is no shortage of ways to bring your favorite music on the road with you. This X5 has 4-Zone Automatic Climate Controls so everyone riding is comfortable, a huge panoramic moonroof that you can tilt open or slide wide open and Xenon HID head lights that are amazing when driving at night. They provide significantly more visibility without blinding oncoming traffic either! Behind the rear seats is a large cargo area plus the Split-Folding Rear Seat gives you the ability to fold part of the rear seat flat or the whole rear seat which opens up the entire rear part of the SUV to haul your gear. This X5 has so much to offer and the color combo is just beautiful. You really have to see and drive it to appreciate just how nice it is!
