\$12,950

For sale is our low mileage 2006 Mercedes-Benz CLS500 executive luxury sedan that is a treat to drive and looks fantastic! It has a sleek, coupe-like style with tinted windows to give the car a clean, private appearance and 18-inch 5-spoke wheels that give this Mercedes an incredible stance! As you can see from the pictures the car is beautiful inside and out. The paint and body are in excellent shape and the interior is very clean. There is no doubt the previous owner loved this car. This CLS500 is a treat to drive! It is so smooth and accelerates effortlessly thanks to the 5.0L V8 engine and 7-Speed Automatic transmission! It has the AIRMATIC adjustable suspension which offers comfort and sport modes. In Comfort mode, the suspension absorbs the bumps and cracks in the road to provide a plush, soft ride but it also has two levels of Sport Mode that make the ride firmer and more responsive for ultimate handling capability! It allows you to tailor the driving characteristics of the car to your needs. It even has a button to raise the car so you can avoid obstacles in the road or enter a steep driveway without scraping the front bumper. Of course, this Mercedes offers all of the options you would expect to find in a vehicle of this caliber, plus the Navigation system, a power moonroof that can tilt or slide open and 4-zone automatic climate controls! It also has the Multi-Contour Heated and Ventilated Front Seats! These seats heat up fast and are toasty warm in the winter and during the summer months they stay significantly cooler which is especially nice on longer drives. The seats are power adjustable in just about every way you can imagine and have memory function to save your favorite seat position. This CLS also has the Harman/Kardon Premium Sound system with AM/FM, 6-Disc In-Dash CD Changer and an Aux Input for your phone or Mp3 player! You really should see and drive this Mercedes to appreciate just how nice it is and everything that it has to offer.
