## 2013 BMW 328xi xDrive AWD Sport Sedan

Your Price:  
**\$16,950**

We have for sale this gorgeous 2013 BMW 328xi xDrive AWD luxury sport sedan! This car is a blast to drive and has so much to offer including heated seats, moonroof, a great factory sound system and BMW's fantastic xDrive All-Wheel Drive system! Under the hood is the TwinPower Turbo 2.0L Inline 4-cylinder engine that has great power and gets 33 MPG on the highway too! This 328xi has a lot of great options including a power moonroof that can tilt or slide open, dual-zone automatic climate control with separate temperature controls for the driver and passenger and the BMW HiFi sound system with AM/FM radio, CD, Aux and USB inputs for your phone or Mp3 player, so you can bring all your music with you in the car. This BMW also has Heated Seats that are amazing in this part of the country! If you've never had a car with heated seats you will fall in love the first time you use them. They heat up fast and make a cold morning commute to work or class so much better. The seats are even power adjustable and the driver seat has memory function to save your favorite seat position! The rear seats are able to be folded down which is an option that you rarely think about until the need arises. They are Split-Folding so you can fold part or the entire rear seat flat to haul larger items and protect the back seats from damage. As you can see from the photos, this 328xi looks fantastic inside and out. The paint and body are in great shape and the interior is very clean. Mechanically the car has been fully inspected as well! You must see and drive this car to appreciate all that it has to offer.
