We have for sale a gorgeous 2006 Lexus LS430 V8 Executive Luxury sedan that looks and drives fantastic! This car has so much to offer and is an absolute treat to drive! It has a sleek, sophisticated style with beautiful black paint, tinted windows that give the car that 'Presidential Motorcade-esque' look and 18-inch wheels! We know if you like how it looks in the photos you will fall in love when you come drive it! There are few cars in this price range that offer the comfort, style and reliability that this Lexus does. It offers an incredibly smooth and powerful V8 engine that accelerates the car effortlessly around town and on the highway when passing! Inside is just about every option you could want including Climate Controlled Heated and Cooled Front Seats, Heated Rear Seats and a Heated Steering Wheel! In the winter these seats are toasty warm and during the hot summer months they stay so much cooler and more comfortable especially on those longer drives. It has an easy to use Touchscreen Navigation System with turn-by-turn directions and a Rear-View Camera to show what is behind you and make parallel parking on a busy street so much easier! All those options are part of the Modern Luxury Package plus it has the phenomenal Mark Levinson sound package with crystal clear sound quality and 9-speakers throughout the cabin of the car. This Lexus has beautiful wood trimmed and leather steering wheel, a power moonroof that can tilt or slide open, Xenon projector head lights that are amazing at night and the Smart Access Key so you can unlock/lock the car and drive the car without taking the key out of your pocket! You really have to see and drive this LS430 to appreciate how nice of a car it is, especially for the price. The paint and body are beautiful and the interior is so clean. You will have a hard time finding a nicer LS for the money!
